COACH'S REPORT:	<p>Reward for effort, with the girls getting their first win of the year!</p> <p>Once again our tackling pressure and defensive side of our game was the highlight! Was also great to see the girls implement the game plan that was practiced at training!</p> <p>Bonbeach responded and challenged the girls after a dominate first quarter - but to the girls credit they fought to the very end to come home with the win!</p> <p>Congrats Girls!!</p>

We again dominated a lot of the play, and it was awesome to see the connection and bonding they have formed. They are really starting to play like a team and implement the things that we are learning at training. They continue to support each other and focus on our game of football and game structure that we talk about all the time. I am very proud of them all.</p>

COACH'S REPORT:	<p>Boys started slow but hit their straps in the second quarter. Was pleasing to see them put into practice what we had focused on at training in the game. Kicking to targets and playing on wherever possible to get the ball moving forward. We outran them in the last half showing our willingness to hunt the ball, run and carry and look for a teammate by hand or foot.</p> <p>Well done to the eight boys who played a quarter for the other team - whilst this isn't ideal it is teaching them to be good sports and means more game time for everyone which is what they all want.</p> <p>Hats off to our legendary trainer Fi who ran just as much as the team today - what would we do without you giving them the magic spray! Bring on our first home game next week - go Dales!</p>

COACH'S REPORT:	<p>Yesterday saw us up against Langwarrin, they are always a fierce opponent and the boys were looking forward to the challenge. We got off to a brilliant start with several goals getting put through the big sticks early. Our run a use of our quick handballs out of the contest really paid off and it was pleasing to see the boys click into gear. The rest of the game pretty much stayed the same, they ran the game out well and I was told by a number of opposition people how good we looked, so well done boys. Bring on next week. □□□□</p>

COACH'S REPORT:	<p>Today we headed down to Bonbeach. The boys were up and about for the 2nd game of the season and it showed on the scoreboard. At quarter time we held a slender lead. Bonbeach lifted their intensity in the second and third quarters and at three-quarter time held a 6 goal lead. To the boys credit they didn't drop their heads and went out in the last quarter and outscored Bonbeach, only to loose by a couple of goals. Be proud of yourselves boys!!</p>

COACH'S REPORT:	<p>Today we travelled to Officer for a 4.10pm game knowing that we would most likely be playing under lights by the end of the game. We mixed things around and played in different positions. It was great to see everyone having a crack and enjoying themselves along the way. There was a lot of awesome passages of play. Thank you to our supporters that sat out in the dark and cold to support the boys. Keep up the great work boys, see you all at training. Go Dales!</p>

COACH'S REPORT:	<p>Hey boys fantastic 4 quarter effort today. Again, fantastic to see Jesse up and about and out of hospital. Congratulations to Darcy and Jamie for their 100 games. Let's get to training and work on a few things that looked like they needed to improve. I thought our pressure around the ball and tackling was fantastic, we just need to work on hitting the target with our hand ball. I thought our big men gave us fantastic first use of the ball well done to Hally and Gazza.</p>
