COACH'S REPORT:	<p>The girls were fired up today and played such an amazing team game. Berwick were a fantastic team, they found space and moved the ball really well, they were bigger and were a great team, but to our girls credit they played that extra bit harder and used their strengths such as their fitness and running to beat a bigger team.</p> <p>Our defence really stood up from the first quarter. We struggled to link up to forward line but the girls realised this and we started to use the ball and move it up the ground together. All the girls played their role and worked until the very end of the game. They are all starting to understand what they need to do and to implement our team strategy and tactics. Was an amazing win and effort from all the girls.</p>

To the boys credit they dug deep and showed that working for each other pays off. It was a slow grind but they rose to the challenge in the final quarter and outran their opponents.</p> <p>Plenty of room for improvement but have to say very proud of how we responded when faced with a much needed challenge.</p> <p>Let's switch on at training this week and continue to work hard as a team.</p>

COACH'S REPORT:	<p>Game day recap - Sunday seen us up against Carrum who we hadn't faced before, new team, different ground, weather wasn't great. All that being said, I would rate sundays game as one of the most pleasing games I have coached. The way we moved the ball from backline through the middle to our forwards was so good to see. Boys taking a mark and actually looking for a target instead of bombing away was sensational. The pats on the back and celebrations after a goal and just being great teammates really shone through, keep it up.□□□□</p>

COACH'S REPORT:	<p>This week saw what I believe is probably the best team football we have played. The boys put everything together on Sunday and played like a real good team. Their talking, encouragement, kicking, marking but more importantly thier intensity to attack the ball was right what we have been practising at training. The boys are really starting to listen to instructions, and will continue to grow as a team. Amazing effort boys.</p> <p>A huge congratulations to Michael for kicking his first goal In Pearce-dale colours.</p> <p>Let's keep up the great work boys.</p> <p>GO DALES</p>

COACH'S REPORT:	<p>We headed to Seaford for Round 3. It was cold and windy, with the wind favouring one end.</p> <p>We started off really well, seaford had the wind in the first quarter and we held them to a goal and bag one ourselves. The second quarter we managed to kick 1 with the wind and went into half time with a 1 goal lead. The 3rd quarter seaford really utilised the wind kicking 5. In the 4th quarter we had in our forward 50 for most of the quarter and got it back to 2 goals but just ran out of time. It was a great team effort today. The boys should be proud of themselves and keep their heads up.</p>

COACH'S REPORT:	<p>Today we were at home for the first time this season. We hosted Seaford who were the top side and the team to beat! The boys were up and about and it showed in the first quarter and went into quarter time ahead.</p> <p>The next two quarters were pretty even just a couple of easy goals for Seaford that put them in front.</p> <p>Last quarter, the boys never drop their heads. Again, they fought it out to the finish. Only to lose by a couple of goals. Congratulations boys on a great fight today!!</p>

COACH'S REPORT:	<p>Entering a game we were expected to win there was some added pressure with some injuries to a few more boys. The way you handled that pressure and played some great team footy to get a great win was impressive. It's clear when we play as a team and share the ball with great hand-ball and spread we are hard to stop. Let's work hard on the track this week as we have the bye and be ready for our next challenge.</p>

COACH'S REPORT:	Hey boys great win today considering the conditions we played in and the boys we had not playing. I thought our efforts to dig in and step up when challenged in the third quarter was fantastic, to play out the whole game without any rotations and not one person got to have a rest. Let's all get to training this week and get ready for a game next week against Beaconsfield, where I'm sure we will be challenged.
