<b>COACH'S REPORT:</b>	<p>The girls worked really hard today playing with only 1 on the bench. There were quite a few injuries and the girls were getting batted and bruised in a tough game but their resilience really showed and they all continued to go out there and continue to play. It was a great game, they started to come back and a lack of intensity in the 3rd quarter have them a couple goals on the board but the intensity shifted in the 4th and we continues to go forward and put the pressure on. Really proud of the girls efforts today.</p>

<b>COACH'S REPORT:</b>	<p>Not our best performance this year but we came up against quite a strong team. Thought we were a little hesitant against a team that took it too us. The boys needed a stronger approach from the coaches which we gave at half time and then 3 quarter times. The 3rd quarter we improved and played more to our plan. We will work on defending closer to our opponent, getting on the mark and we will improve again against the better teams. We've made so much improvement already this year and it's great to see. Special mentions to Jack P, Jake M, Atticus, Jake H and Tripp for their performance.</p>

<b>COACH'S REPORT:</b>	<p>Game day re cap - Sunday had us up against Mt Eliza with spectacular weather for football. It was probably the most even contest we have faced this year, with one end being the scoring end it was vital that we made the most of our opportunities in front of goal. Which happened for most of the game but the redlegs were to strong in the last qtr and had our backline working hard. All that being said we had a lot of super passages of play and week after week we are playing better football. Well done boys.□□□□</p>

BETTA PIZZA	

<b>COACH'S REPORT:</b>	<p>This week we were at home against Devon meadows. The first quarter was a tough battle with Devon meadows keeping it in there forward 50 for most of the quarter. But to the boys credit they with stood the pressure and kept Devon meadows to 5 points.</p> <p>The next 3 quarters we got out running and spread game going to put the pressure back onto Devon meadows and gave ourselves plenty of opportunities, to come away with a good win. It was another great team effort with all the boys contributing and playing there roles</p>

<b>COACH'S REPORT:</b>	<p>Today we hosted the Pines. All week we have been up and about preparing for this game as the Pines have not lost a game all season. We went out in the first quarter and the boys showed how good and prepared they are, to play as a team. They hit the ball hard, kicking the first few goals and kept the Pines goalless. The rest of the game was much the same and the boys finished off as 73 point winners!! Now we all get a well deserved week off, then looking forward to getting back into it and see the rest of the year out and see just how far this TEAM of superstars can go. Up the Dales!!!!</p>

<b>COACH'S REPORT:</b>	Great game boys, hard fought, going down by a kick was an excellent result. The ball didn't really bounce our way today, and we will learn a lot from the game. Congratulations to Ethan Reilly on 100 games.

<b>COACH'S REPORT:</b>	<p>Not all wins need to be perfect. Sometimes the tough hard grinding ugly wins are the most rewarding. With a low scoring high pressure game I thought the way you boys didn't drop your work rate and continued to push hard and not wilt under the defensive high stoppage pack footy being played was outstanding. Despite never getting our running game up and going we were able to take home a very gutsy win, congratulations. Back to the grind Wednesday</p>
