COACH'S REPORT:	<p>I think the boys (along with their parents) enjoyed the later start to-day. Conditions were challenging underfoot and the wind made for tough going but the team once again dominated their opposition in all four quarters.</p> <p>The most pleasing aspect of today was seeing some of the boys play their best individual games whilst sticking to the team game plan. Whether it was laying a tackle for the first time, kicking their first goal of the season or taking multiple marks.</p> <p>It is amazing to see the continued improvement of this team of stars - keep turning up for each other and working hard at training.</p> <p>Go Dales!</p>

COACH'S REPORT:	<p>Game recap - on Sunday we ventured to Langwarrin where we were meet with beautiful weather for football. With being a couple of players down I asked the boys before the game to concentrate on not rushing with the ball, and instead of bombing away, to look for better option and pass. On many occasions this happened and they were hitting a lot of targets. It was certainly one of the best team performances we have put together. I am loving watching these boys become a great little team. Lastly I would like to thank Blake for a super season to date, he is heading away this week for the rest of the season and he will certainly be missed, you have come along way this year Blake and I am very proud of you mate. Well done.</p>

COACH'S REPORT:	<p>U11 Navy played away against Devon Meadows. Despite losing the boys were hard at the ball, chased all day, and most importantly never gave in. We were down 4 players, and with one playing sick. Was great to see the rest of the boys stand up despite these circumstances. Time to reset now and bring the attack on the ball we showed to the next game.</p>

Great win today for us, and everyone played their part. A few different goal kickers too!

The boys played fairly and hard, and it showed on the score board. Our team has come along way over the years, and they are really starting to gel. Some great passages of play, and some really good team work happening, which is really great to see. Edi-Asp next Sunday.

Thank you to all the volunteers, you are very much appreciated!

COACH'S REPORT:	<p>Today we travelled to Bonbeach to take on the top side after a windy and wet night. The sun was shining in the morning, but the ground was still wet and muddy. We knew it was going to be a tough game and the boys were up and about and ready to play. First quarter was a tough grind, but we ended up kicking a couple of goals. By half time, we are up by three goals. Bonbeach had the wind in the third quarter, and we knew it was going to be a fight to hold them scoreless but we did and ended up kicking 2 goals ourselves.</p> <p>Final quarter we had the wind and kicked a couple more goals to run out winners by seven goals and to finish the weekend on top of the ladder.</p> <p>So proud of these boys the way they are staying to the game plan and the way they turn up to play every week. Let's keep it going boys Go dales</p>

COACH'S REPORT:	<p>Firstly a big congratulations to the 3 boys who played their 100 games!!! Ben Carey Jesse Lenehan Aiden Ripari</p> <p>What a game! Playing last years best team we started slow and took a while to settle into our game. Once we did we started to gain control of the game and have it played on our terms winning just about every stat besides the score. As I said after the game, seasons are built on how you lose games and the effort, grit and hard work today was nothing short of amazing. Back to training and keep working hard boys.</p>
