| OPPOSITION CANTEEN | |

| | |
|------------------------|---|
| COACH'S REPORT: | <p>Boys started off well in the first quarter enjoying the larger ground size. The second quarter was more of a slog with the opposition evening things up. A reset at half time was what the team needed and they came out firing with a dominant display in the third quarter to push away. The team stuck to the plan and held their positions well which allowed handballs on the run and kicks to players in the clear. Today was an insight into what it will be like on larger grounds in years to come so keep putting in the running yards at training boys to build fitness and most importantly keep having fun with your mates. Go Dales!</p> |

| COACH'S REPORT: | <p>Game recap - Sunday had us up against our toughest opponents in Bonbeach. We got off to a great start slotting the 1st goal of the game, but with the weather turning feral we had some very cold and wet boys out there. They are a very well drilled team and really showed us what level we are trying to reach. What I was extremely impressed by was our desire to keep trying our hearts out, the boys never gave up and even grabbed a couple of late goals which showed great willingness to keep going. Well done boys, really proud of you all. □□□□</p> |

| COACH'S REPORT: | <p>Great tough game by the champions this week. Weather conditions turned a little nasty before the game started, but our boys started well with plenty of the ball. They moved the ball well and really played as a team. Throughout the game the opposition really took it to us but our champions responded with great pressure and continuous 2nd and 3rd efforts. The kicking of the kids has improved dramatically over the past few weeks and we will keep on working on this over the coming weeks until end of season. With 2 weeks to go let's go out their kids and have some great fun. GO DALES!!</p> |

| COACH'S REPORT: | <p>A great test for the boys today with the very average weather. Slippery ball and ground meant the skills had to on point and the 2nd 3rd 4th efforts needed to be executed for the whole game. Off to a great start once again, they controlled the play and kept it inside our forward 50 for the majority of the first half. Seaford came our strong in the second half but the boys responded with some great positioning and pressure. Well done to all involved once again</p> |

| COACH'S REPORT: | <p>This week we were at home against Mornington, we didn't have our best game this week the boys all seemed a bit off, they just weren't as hungry for the ball as Mornington were. There were still positives to take away from the game we had some different boys stand up today and take the game on. The last quarter was definitely our best quarter, the ball was in our forward line for most of the quarter and we had lots of shots but unfortunately just couldn't convert on the score board.</p> <p>This division is tough and if you don't bring your A game you are going to get beaten. This game will hopefully be a good lesson learnt and they come to next week's game fired up and on their A game</p> |

| COACH'S REPORT: | <p>Today we travelled to Officer, to take on the kangaroos. We are taking every game as if it's a final, as we only have two rounds to go. The boys started really well and I asked the boys to concentrate on helping out their teammates by shepherding and doing the second efforts. It really makes a difference when you help your teammates out when they have the ball and it really showed. By halftime we were up by six goals and the boys went out after half time and kept doing what I asked and we ended up winning by 15 goals. Looking forward to the last two games, and then from there who knows.</p> |

| COACH'S REPORT: | <p>Hey boys, fantastic win today! The second efforts across the ground and our willingness to be first to the ball and put our head down and pick it up, in generally slippery conditions was the difference between winning and loosing. I know you're all sick of hearing it from me but, we play the way we train, so let's all get to training and really finish off what's been a good season. A big thanks to Benny and Buster for their help again, both had great games.</p> |
