

**PEARCEDALE BAXTER
JUNIOR FOOTBALL CLUB
ROUND 7 RECORD**

President's Report

Hello PBJFC families.

Hopefully everyone enjoyed the long weekend. Hasn't the year flown, already we are up to Round 8.

Next Friday 21st June we are having our first big event in the new rooms. More importantly we are holding a fundraiser for charity and PBJFC families touched by breast cancer. Please come along and support such a wonderful cause. Plenty of information regarding the night will be posted on the socials over the next week.

Good luck to all this weekend, if we can all channel some of the pressure shown by the form team of the AFL, the mighty Hawks, the dales will go well.

Go Dales

Nick Caldwell

COACH'S REPORT:	<p>We were missing a number of players Sunday with the flu, but despite being one down on field, we played like we had one extra! Everyone went at the ball and kept going until they got it, lots of great 2nd, 3rd and even 4th efforts saw us on top of Langy all game. Jax R put in some gritty efforts to get the ball close to goals in the forward line and was good to see Max C take a grab and put it through the big sticks.</p> <p>We'll keep winning games if everyone puts in the effort like we have the last 2 weeks. Have a good break, no footy this week, but keep some practice up kicking a ball around in the backyard.</p>

COACH'S REPORT:	<p>Another all round team performance resulting in a strong win by the boys. I challenged them to set themselves a personal goal for the game and they all worked hard to hold each other accountable to it. Every single player hunted the ball today with lots of second and third efforts resulting in scores. We got our kick to mark game rolling and looked smooth when playing fast footy. The tackles stuck today and everyone was willing to get in there and get the hard ball for their team mates. We just keep getting better as a team - the focus the boys are showing at training is being replicated in the game with the results showing. Season is halfway through - enjoy the week off and come back hungrier than ever for the last 7 rounds! Go Dales!</p>

COACH'S REPORT:	<p>Today's game at home against the Frankston Rovers was an excellent game of football with the result coming down to a kick for goal after the siren. Logan Jones steadily kicked truly to hand us a win which had the kids jumping for joy. Great reward for a fantastic team effort. After last week's game, I asked the players to focus fully on the game from siren to siren, which they did and they got the result they deserved. Extremely proud coach with every player on the team playing an excellent game. We now have seen what we can do as a team and the kids should have great belief in each other. Enjoy your long weekend and see you in a couple of weeks. Go Panthers !</p>

COACH'S REPORT:	<p>Game re-cap Sunday we faced Mt Eliza in a much anticipated clash, it's always a good contest against these guys and Sunday was no different. The game was fast, physical, and a bit windy aswell. We had spoken at training about looking for our forwards when coming out of the middle, which resulted in our forwards leading, and taking marks about 5-6 times. The boys got back to doing the team things and looking out for each other.</p> <p>It is very pleasing to see us be able to grind out games and dig deep when we need to, to get the wins on the board. Well done boys.</p>

COACH'S REPORT:	<p>The boys showed some great signs in today's game but unfortunately couldn't do it for 4 quarters and therefore were overrun by a much more discipline Mornington side.</p> <p>We can all see that when the boys all play as a team, they have the ability to beat just about every side they have come up against. They need to believe in themselves and not get down on themselves when things don't go their way. They need to keep practising as much as possible away from training to keep improving. Keep listening boys and doing the things we talk about, and the rest will follow.</p> <p>They all have many football years ahead of them, so keep positive with them and focus on positives not negatives.</p> <p>Enjoy a week off and see you all fresh next week.</p> <p>GO DALES!!!</p>

COACH'S REPORT:	<p>Jeeze we've taken some big steps as a team in last few weeks. Today we came up against the Navy boys and what a game it was. 4 quarters of quality , hard high pressure footy from both teams meant it could have gone either way.</p> <p>So proud of the effort all of our boys put in and great to see both teams celebrating together at the end of the game.</p>

COACH'S REPORT:	<p>A pretty even contest between both teams today boys, but you stuck to your guns and followed the team rules. You over ran them in the last quarter to get the win. What was great to see you were all playing for each other. Great to see Issac kick goals on his 50th game well done mate. Jax first game back since doing his wrist and looks like you haven't missed a beat buddy well done. And Happy 13th Birthday to our little man Ryder. Everyone contributed around the ground today forward back and middle. Great to see the improvement across the board. Shout out to Noah for being involved today after his knock last week he saddled up and ran water for the boys. All round a great team effort. The umpire spoke to me in the carpark and mentioned how well mannered and respectful you all were that is a great positive boys keep up the great work on and off the field. Go Dales</p>

COACH'S REPORT:	<p>Well today we took on Lyndhurst at home and coming off such a great win last week I was hoping the boys would be really up and about but we were a bit flat. Lyndhurst ran in numbers and hunted the ball harder than our boys but when we switched on and used our transition running we looked great. There just wasn't enough of it today. A few honourable mentions with Logan taking a couple of fantastic grabs in the forward line, Brandon winning most hit outs and Kai for getting hit in the head about 5 times and not complaining about not getting a free and just carrying on.</p> <p>We as a team need to really start working on belief, belief of how good a team we are, belief that we can work harder and push ourselves further. I 100% have the belief in each and every one of you but I need you guys to flick the switch and get the belief in yourself and your team mates. You've done the work now you need to draw on that and improve.</p> <p>G</p>
